Prepared for
GMAC Seminar on Administration of NIH Grant Programs

COVER

COMPLETED

This informal document has been developed to assist you in obtaining programmatic or administrative information related to the NIH Extramural Programs. It includes listings of individuals in central service organizations or awarding units who are responsible for administration of these programs. The "contact points" are primarily in two areas, the central service organizations (including some DHHS or PHS offices) and the individual awarding Bureaus, Institutes, or Divisions. Individuals are included with their telephone number, building and room number. Correspondence should include the individual's name, room and Building identification, Institute and the following:

National Institutes of Health
Bethesda, MD 20205

If you have any comments, suggestions or questions concerning this document, please let me know.

DIVISION OF FINANCIAL MANAGEMENT

Contact Points - Financial Management

All NIH grants awarded to domestic, non-Federal institutions are paid through the Payment Management System (PMS) (formerly the Departmental Federal Assistance Financing System), which is the Department of Health and Human Services' central payment system. The PMS is operated by the Federal Assistance Financing Branch, Division of Accounting Systems and Procedures, Deputy Assistant Secretary, Finance, Assistant Secretary for Management and Budget, Office of the Secretary.

PMS' address is : Federal Assistance Financing Branch
DASP/DASF/OS/HHS
Box 6021
Rockville, Maryland 20852

While some report more frequently, most grantee organizations report disbursements to and reconcile their cash with PMS on a quarterly basis via the PMS 272 report entitled "Federal Cash Transactions Report" (formerly DFAFS Report 27, "Recipient Report of Federal Cash Transactions"). Each PMS 272 report contains the name and telephone number of the individual in PMS responsible for that organization's account. All NIH grants are identified with "8" as the first character in the "Federal Grant or Other Identification" field of the PMS 272 report.

Inquiries regarding payment or advance of funds:

Contact the PMS individual shown on PMS 272 report.

Inquiries regarding reporting of quarterly disbursements to PMS:

Contact the PMS individual shown on PMS 272 report.

Inquiries regarding the submission of or NIH actions attributable to the filing of annual or final expenditures reports (Standard Form 269, Financial Status Report) to NIH:
